

NSW Advanced Licensee Training

Are you a licensee, approved manager or club secretary in NSW and need mandatory Advanced Licensee Training?

Our Advanced Licensee Training covers:

Advanced Licensee Training is an additional course for those who may operate a business in a higher risk environment to ensure you are better prepared for the challenges of operating a licensed business. It includes licenced premises:

- Authorised to trade after midnight on more than 12 occasions in any 12-month period
- Certain business types, such as nightclubs and karaoke bars
- Subject to a regulatory scheme
- Directed by L&GNSW or ILGA

Advanced Licensee training covers topics that are designed to support you to understand:

- Alcohol related harms in higher risk environments and the relevant laws that impact you as a licensee
- The qualities required to be a leader and how to build a culture of compliance in your business
- The different approaches government and industry have adopted to minimise alcohol related harms
- How to identify and analyse risk, and implement best practice strategies to control risk in your business

The course is mandatory for:

- Before you complete this training, you will need to hold a valid NSW competency card or interim certificate issued by a Liquor & Gaming NSW for Licensee training, and Responsible service of Alcohol (RSA).
- If your current competency card also includes RCG you will need to either undertake the Responsible Conduct of Gambling (RCG) refresher training prior to doing the Licensee Training or complete a RCG Declaration Form to remove RCG endorsement from your competency card.
