

NSW Licensee Training

Are you a licensee, approved manager or club secretary in NSW and need mandatory Licensee Training?

Our licensee training covers all this:

- Liquor legislation and regulations
- NSW liquor license responsibilities
- Your responsibilities to manage alcohol related harms in your business
- Best practice strategies to improve your business operations
- Consequences of non-compliance
- On completion of this course you should be able to manage the day-to-day requirements for a compliant licensed venue to the benefit of your staff, customers and the wider community

The course is mandatory for:

- Current licensees, approved managers, and club secretaries applying for a new liquor license, or transferring of an existing license to another person or premise
- Existing licensees and approved managers will need to complete the new licensee training in alignment to the renewal of their existing NSW competency card
- This extends to pubs, clubs, hotels, bottle shops, restaurants and cafes
