

Pathway to Employment

Cleaning Essentials

A training program supporting participants to gain entry-level employment or a traineeship in the domestic and commercial cleaning sector.

Build the skills and confidence needed to begin a career in the cleaning industry across a range of settings, including health, aged care, education, commercial cleaning, disability and hospitality. This program introduces participants to industry expectations while delivering accredited training to enhance employability. You'll explore career pathways, develop essential workplace skills and be supported to secure flexible, long-term employment or progress into further qualifications.

Clustered Unit Delivery

Course Name	Unit of Competency
