

Pathway to Employment

NDIS Disability Support

A training program supporting participants to gain entry-level employment or a traineeship in the disability support sector.

Prepare for a rewarding career supporting people with disability by developing the skills, knowledge and confidence to work safely and professionally. This program provides an introduction to the disability support sector, covering person-centred practice, workplace safety and accredited training units. Participants will explore employment pathways, build job-ready skills and be supported to secure flexible roles or continue into further study in community and health services.
