

Pathway to Employment

Childcare Essentials

A training program supporting participants to gain entry-level employment or a traineeship in early childhood education and care.

Take the first step toward a career in early childhood education by building foundational skills and understanding the sector. This program introduces participants to childcare environments, workplace responsibilities and career pathways, while providing accredited training to support job readiness. You'll gain confidence, explore further study options and be supported to transition into traineeships or entry-level roles in early learning settings.
