

Pathway to Employment

Provide First Aid

An accredited training program providing essential first aid skills to support employment across a range of industries.

Gain the essential skills and knowledge required to respond to emergency situations in workplaces and community settings. This program delivers nationally recognised first aid training aligned to Australian Resuscitation Council guidelines, supporting job readiness across sectors such as care, hospitality, education and retail. Participants gain practical, job-relevant skills that enhance employability and meet workplace safety requirements.

Units Delivered

Course Name	Unit of Competency
Provide First Aid	HLTAID011 Provide First Aid

Assessment

Assessments include a combination of:

- Online multiple-choice quizzes
- Online short-answer questions
- Practical observations (Role Plays)

Students who attend all sessions and successfully complete all the Assessment Conditions of the units of competency will be issued a Statement of Attainment.

Workshop and assessments are completed in English.

NB: Participants must be capable of kneeling for extended periods of time to demonstrate CPR competency.

iTFE encourages people with disabilities and First Nations People to apply.
